

Approve/Decline Campaign Flow

- Admin can see the Campaign list in CRM panel and he/she can approve/decline the campaign from CRM Panel.
- Once Admin Approve/decline the campaign, Campaigner will get an Email for the approval.
- Admin will get the statistics in CRM panel:
 - 1) Total Campaigns
 - 2) Total Users
 - 3) Total Donors
 - 4) Total Funds
 - Admin can get above statistics based on filters like Date, Campaign, etc.
- Admin can block any users from CRM panel.
